# PLAY BASED LEARNING FOR ALL

Made possible in part by:

## What is the project?

A way to support all at-home childcare providers, **licensed or licensed-exempt**, by offering free to project partners:

- Play-based learning kits filled with hands-on manipulative toys and monthly emails with activity ideas
- Online and in-person workshops, an online community, and more!

## What is the goal?

To collaborate with, support, and help providers and families implement enriching, engaging, and developmentally appropriate play-based learning activities for children from birth to age 5.

## Activity Kits:

CMNH is creating and distributing **FREE** play-based learning kits filled with hands-on manipulative toys, activities, and ideas for use with children ages birth- about 5 years.

*Each kit is valued at about \$500.*

## How do I get a kit?

At home childcare providers, **licensed or licensed-exempt**, can apply to be a project partner and receive a FREE kit by filling out [this Google Form](#) by July 31, 2024

*Applicants will be contacted as there are limited kits available.*

## Upcoming Dates:

- Free PBL Kit application deadline: July 31, 2024
- Program kick-off meeting (on Zoom): August 2024
- Open House at CMNH: Early Fall 2024
